Vimla Lalbhai, Chairperson, Atul Foundation Trust

The completion of 75 years of independence marks an important milestone in the history of our country; in the last seven plus decades, it has made a notable and steady progress, economically and socially. Of course, a lot more is possible and required to be done. Atul Ltd (Atul) was founded by a legendary Indian, Kasturbhai Lalbhai on September 05, 1947 (in 20 days of independence) to create wealth in rural India, generate large-scale employment and make the country self-sufficient in its requirements of chemicals. Ms. Shradha Sporkar, Founder Trustee, Madhuram Charitable Trust

"The 75th Independence Day is a huge milestone in the history of our country. It is fitting that the country, led by PM Narendra Modi, is celebrating the Azadi Ka Amrit Mahotsav to mark the occasion. It is also incumbent upon us to work collectively towards making India a great nation as envisaged by great leaders and visionaries like Swami Vivekananda. We must also strive to make India more inclusive, one where no section of the society feels left out". (19-1)

Dr. Rajiv I Modi, Chairman & Managing Director, Cadila Pharmaceuticals Ltd

"As India celebrates 75 glorious years as an independent nation, I wish all Indians happy Independence day. Together we will make India a great place to live with good health and happiness". (19-1)

Rajiv Bhatia, President & Country Head, Analytics Solutions

"As India completes 75 years of Independence, it is a great moment for us to celebrate, acknowledge and plan our future path. With great freedom comes great responsibility as we become responsible towards our Environment, our Economy, our Fellow Citizens, and our World. At Analytics, we always look for sustainable development which helps our organization chart its way towards growth - 'Of the people, For the people & By the people'. (19-1)

Microsoft collaborates with MSDE and CBC

Ahmedabad, Microsoft has partnered with Ministry of Skill Development & Entrepreneurship (MSDE), and Capacity Building Commission (CBC) to empower India's civil servants with future-ready skills. The partnership under the project - Capacity Building by MSDE in Microsoft Digital Productivity Skills aims to enhance the functional computer literacy of nearly 2.5 million civil servants of Government of India (GOI). Circular foot overbridge going round in circles

AHMEDABAD: The project to build the city's first circular foot overbridge with escalators was supposed to conclude in six months, but work is continuing four years on. Ahmedabad Urban Development Authority (AUDA) is the executing agency. With traffic volume growing on SP Ring Road in the city's east, the overbridge was planned around the elevated corridor of the Metro stretch in Vastrap in January 2019. The plan included four escalators and two lifts. A tender of Rs 14.60 crore was floated and the contract with a revised estimate of Rs 17.93 crore was given to a private construction firm. September 2019 was the deadline. "An OMC gas line and other utility lines passed underneath the site. A new design was drawn up. It took a year to complete the exercise. Then in 2020, the corona pandemic broke out." Meanwhile, the construction firm ditched the project.

Machine Learning is the most valued skill according to recruiters

Ahmedabad, As Data Science applications are becoming increasingly popular across various categories, offering a leading global player in the professional and higher education segment and a BYJU'S group company has released Data Science Skills Survey 2022 to find out different tools, technologies, and skill sets categories that are imperative for students and professionals and for an advanced career in the Data Science domain. The report has been developed after primary research through a survey conducted amongst Data Scientists and leading AI/ML practitioners. This was complemented by direct discussions with job-seekers to understand and gauge their perspective on the in-demand skills in this domain. The participants were also interviewed on the critical skills expected by recruiters from professionals of all experience levels while hiring. 84.4% of professionals mentioned that recruiters look for Machine Learning as the most crucial skill when hiring a Data Scientist, followed by Statistics at 78.9%. 2 out of 3 professionals with 0-3 years of experience said recruiters consider data visualization as a must-have skill. This number reduces for respondents with more years of experience. (20-4)

Bank of India Officer Nikhat Zareen land punches inside ring and makes India Proud

Vinod Chandrasekhar Dixit, Free-lance Journalist, Writer & Cartoonist (dixitpatrakar@yahoo.in)

Kudos to Bank of India Officer and Indian boxer Nikhat Zareen for clinching the gold medal in the ongoing 2022 Commonwealth Games after an emphatic win over Northern Ireland's Carly McNaul in the women's Light Flyweight final bout. Hailing from Telangana's Nizamabad, Zareen first came to limelight in 2011 after she became World Junior boxing champion in 50 kg. She also came into the news when she challenged the World Champion Mary Kom and the Boxing Federation of India for Mary Kom's selection in favour of her boxing. Initially, she trained herself by watching her uncle train her cousin's brothers. Later, seeing her interest, her father trained her for a year and then inducted her into the Sports Authority of India in Vishakhapatnam in 2009. There she was trained under I.V Rao, a Dronacharya awardee. Her father made lot of sacrifices in his life for

for India. Nikhat Zareen won a gold medal at the 2022 IBS Women's World Boxing Championships. At the international boxing association (amateur) Women's Youth and The Junior World Championship in Antalya, she won the gold medal. She also won a bronze medal at the second India Open International Boxing Tournament field in Guwahati. This time this 26-year-old Indian boxer has won a gold medal by 5-0 against Carly Mc Nauld from Northern Ireland in the final. Nikhat is reigning World Champions in the Women's Over 48kg-50kg (Light Fly) category and have once again brought glory to the with another medal. This was her major competition after the World Championships and people expected her to win Gold here. Now her job is to land punches inside ring and make India proud. Nikhat was fascinated by boxing art when her father introduced her to the sport at a young age. He has always been in favour of her boxing. Initially, she trained herself by watching her uncle train her cousin's brothers. Later, seeing her interest, her father trained her for a year and then inducted her into the Sports Authority of India in Vishakhapatnam in 2009. There she was trained under I.V Rao, a Dronacharya awardee. Her father made lot of sacrifices in his life for

Arjun Bijlani helps Kanika Mann get over her biggest fear!

Ahmedabad, Acting is all about on-screen drama - emotions, feuds, romance and fears that mimic those in our real lives. But what happens when you have to face one of your biggest fears for a role on-screen? In every aspect of life - especially acting - fear can creep in and get the best of you. And that's what happened to Kanika Mann when she had to face her biggest fears on the sets of MX Serial Rookhniyat Chapter 2. Describing her biggest fear, Kanika shared, "I'm afraid of any water body, be it a pool or the ocean. And for this one scene in Rookhniyat, I had to be in the pool with Saver, but I just couldn't do the scene properly. I tried to get over her but kept getting distracted by it, eventually they had to bring a body double to the scene." But that wasn't the end of it as
